

CLING 2[®] Concentrate

PRODUCT INFORMATION SHEET

HYSOIV

Cling 2[®] Concentrate

- High Foaming Multi Surface Cleaner.
- Strong clinging properties
- Effectively removes grease, dirt and organic matter.
- Quick acting and easy to use.
- Ideal for use on all types of buildings, equipment and vehicles.

Cling 2 Concentrate has strong foaming properties and a high clinging action and is designed to be applied through High Pressure Washers using an optional Injector & foaming lance. Apply Cling-2 at a pressure of 2,000 –2,500 psi (140 –170 bar).

Active ingredients: <20%W/W Anionic Surfactants. <10%W/W Non-ionic Surfactants. <15%W/W NTA

Applications

Cling 2 Concentrate is suitable for cleaning all types of livestock buildings including poultry houses, piggeries, cattle sheds and stalls, sheep housing and horse stables. It is also ideal for cleaning Livestock handling yards and equipment, vehicles and livestock lorries.

Directions for use

1. Directions For Use (Buildings).

IN BUILDINGS WHERE GREASE HAS BUILT UP OVER TIME, USE A 4 –5% DILUTION OF CLING 2. SUBSEQUENT CLEANING WITH 2 –3%

1. Either dilute Cling 2 in the Pressure Washer supply tank or use an Injector to meter the Cling 2 (preferred)
2. Set the Pressure Washer to 2,000 –2,500 psi & apply using a foaming lance.
3. Apply to high surfaces first (roof), then equipment (feeder pans and nipple lines), walls and stub walls, then floors where required.
4. Leave to work for 20 to 40 minutes.
5. Rinse the injector thoroughly with clean water
6. Replace the foaming lance with a rinsing lance.
7. Rinse the building thoroughly from top to bottom and leave to dry.
8. Disinfect.

2. Directions For Use (Vehicles).

Use a 2 – 3% dilution of Cling 2 Concentrate.

1. Either dilute Cling 2 in the Pressure Washer supply tank, or use an Injector to meter the Cling 2 (preferred).
2. Set the Pressure Washer to 2,000 –2,500 psi & apply CAREFULLY to vehicle using a foaming lance.
3. Rinse vehicle with water from top to bottom to remove loose dirt.
4. Apply Cling 2 using a pressure washer with foaming lance as above.
5. Leave Cling 2 for a minimum of 5 minutes to work.
6. Rinse off with clean water, starting from the top of the vehicle.
