

Gamestay ULTRA DRI

Absorbent, Dry Disinfectant Powder

EGGpeg
GAMESTAY

Gamestay Ultra Dri contains a **DEFRA approved disinfectant** which is effective in cases of foot and mouth disease and avian flu.

Sprinkle **Gamestay ULTRA DRI** onto the housing floor before adding bedding, whether straw, shavings or sawdust.

Gamestay ULTRA DRI has been carefully formulated to be suitable for flooring with or without matting of all types.

- It quickly reduces ammonia and other noxious gases.
- It acts very quickly, killing most pathogens within 5 minutes.
- It even works in contact with the bedding and waste.

ORGANISMS **MUST BE KILLED** IN ORDER TO REDUCE DISEASE

- Bacteria
- Viruses
- Fungi

When **ULTRA DRI** comes into contact with these pathogens in the environment, it kills them rapidly and continues working from day to day.
